Optional Student Data

This category of Data is NOT required by state or federal law. Collection of this data requires parental consent prior to being collected. Currently we do not ask for any of this data. Please know that at a later date we may, but any collection of data in this section will be accompanied by a parental consent form.

How Student Data Are Stored and Protected

See Gateway's Technology Security Plan

Students' and Parents' Rights Statement

Students own their personally identifiable student data. An educational entity shall allow the following individuals to access a student's student data that is maintained by the education entity:

- the student's parent;
- the student
- in accordance with the education entity's internal policy and in the absence of a parent, an individual acting as a parent to the student

If a significant data breach occurs at an education entity, they shall notify the student, if the student has turned 18, or the student's parent or legal guardian.
