Gateway Preparatory Academy is now enrolling students for the 2019-20 school year. Gateway is the only elementary charter school in Iron county and offers a premiere, individualized education for all students utilizing a Montessori curriculum that focuses on individual growth and hands on learning.

Students at Gateway have access to technology daily and in addition to the Montessori curriculum use a variety of web based programs that prepare them for life and work after school.

All students at Gateway have access to enriching programs in the arts and are able to perform in one of our 6 performing groups in a professional setting in as early as 4th grade!

As the only accredited elementary program in Iron County, teachers and staff at Gateway pride themselves on knowing each of our students individual needs. This helps us as we challenge them academically while providing enriching experiences and opportunities for service that will last a lifetime. We would love the opportunity to get to know your student; please feel free to contact the office for more information and a tour.
